# Mural | Block Party

Many of you came to the block party to celebrate the completion of our mural called "It's Rainin' Love, adjacent to Macdonald Residence.

**Missed the block party?** Stop by anytime to experience the augmented reality. Just download the app (Artivive) and hold up your phone to see images come to life and hear voices singing "It's Rainin' Love."

## Mural

### Graffiti rumors are true

If you've walked by the mural in the last week, you might have noticed it's been tagged with graffiti. While we know graffiti is a real risk, we were heartbroken about the size and that it occurred so soon. We've reported the graffiti to the city, and Badlands has temporarily covered the graffiti with black paint until we can get it repainted.

In addition, we've been trying to contact the graffiti artists and exploring whether we can get security camera footage. Stay tuned for more updates! In the meantime, the augmented reality should still work, though you will see only part of the mural.

## Meet our new staff member, Delaney! Operations & Admin Specialist

Delaney Neal (she/her), Operations & Admin Specialist: Delaney is a recent graduate of Reed College with a BA in Political Science, where she spent a year writing a thesis on postmodern feminist theory. She brings public sector administrative experience while working in local government and libraries and developed a passion for working with people as the Station Manager at Reed's community radio station. Delaney is excited to be a part of a team at the Maybelle Center that makes a real difference in people's lives.

In her free time, Delaney can be found exploring Portland and enjoying good food and music.

Next month, look for the feature on Chelsea, our new People & Culture Director!

## Have a chronic health condition and need AC or air purification?

Maybelle Center has limited funding available to support members with chronic health conditions who need an air conditioner or air purifier.

Please get in touch with Ruthie at 971-202-7453 to set up a screening appointment. You must be able to receive deliveries at your home.
